REF: Steve Douglas Gartin  
SUBJ: Summary Transfer to Arapahoe County

Sir:

Steve called me with his only phone call after being summarily transferred from Jefferson County Detention Center to somewhere in Arapahoe County. There are no stated charges, no bond available, no legal counsel...same old story.

These are the same people about whom he has stated charges in the Federal District Court; Greenwood Village Police Dept. and the U.S. West people. They have already be caught in some real mistakes- check with Technician Ewan Scouse of GVPD.

Can you make some effort to contact him or be witness to his court proceedings? These are the same people who reported him as a threat and so forth.

Thanks for any help on your part.

Sincerely  
Chas Clements
